

Start off this Season of Light in a festive way!
Come to Channing Memorial Church on Sunday, Dec. 9th for
the annual **Craft Fair and Potluck** -- 11:30 a.m. to 1:30 p.m!

While the children craft and eat, the adults can chat and eat, or work with their children on a craft or two (or release your inner child and make something of your own).

(Note: Sunday School parents are asked to join their children and the Director of Religious Education in the gym right after the service to discuss giving, preview some of the crafts, perhaps make a gift list, and buy tickets for the crafts.)

The “eating” part of the Craft Fair will be enhanced by YOU -- bring something special and generously sized to share—main dish, salad/bread, or side dish. **Desserts will be sold by the Youth to benefit the Coming of Age program.** Drinks and paper goods will be provided.

In the giggly spirit of the season we have invited a special guest to drop in for the festivities. **You won't want to miss this!**
